Enroll No.: 19012531003 Name: Varshil Gandhi

Attendance Sheet including work done – Student's project/ Industrial Training

No.	Date	Company Project Guide (Signature)	Summary of Work Done as per date
1	26-12-22		Basic Introduction of embedded software and hardware
2	27-12-22		Starting Practice of given C Programs
3	28-12-22		Practice of C Programs
4	29-12-22		Practice of C Programs
5	30-12-22		Practice of C Programs
6	2-1-23		Learn about TCP Client Server Model, Socket Programming and also continue with practice of C Programs
7	3-1-23		Understand the communication and data transfer between the client and server, Done Installation of Ubuntu on virtual machine.
8	4-1-23		Learn about single client server TCP model and implement it, also learn research on Renasas RZ/G2L.
9	5-1-23		Continue to implement single tcp client server, learn about git and its commands .

10	6-1-23	Start the tutorial to learn Linux, learn about TCP Multi Client server.
11	9-1-23	Implementing TCP Multi-Client Server, learning different commands, Difference between Linux and Unix.
12	10-1-23	Continue Learn about Linux tutorial and its Commands and continue to implement tcp Multi client server.
13	11-1-23	Learn and implement Git Commands in Linux and also start solving Python Programming Questions.
14	12-1-23	Started to read Datasheets like W25Q16JVZPIQ, UJ31-CH-3-SMT-TR, ATWINC3400-MR210CA131.
15	13-1-23	Continue reading of datasheets like EYSGCNZWY, MAX32655 and also continue solving of Python Questions.
16	16-1-23	Continue the datasheets reading and also solving Python Programming Questions.
17	17-01-23	Continue the datasheets reading and also learn new terms like firmware, SDK, STM32 and also continue to solving Python Questions.
18	18-01-23	Continue with datasheets reading of MAX32655, MAX86150. Also attended one webinar on Embedded Linux Security.
19	19-01-23	Learn about Page Replacement method and also learn FIFO Page Replacement Algorithm.
20	20-01-23	Implement FIFO Page Replacement Algorithm in C and also attend one training session here on one product of wearables.

21	23-01-23
